The 107th assembly of the Tennessee House of Representatives will meet for its first organizational day on January 11, 2011. I am looking forward to this session, and hope that you know it is truly a blessing and honor that you allow me to represent you in the state legislature.

As has been my custom for the last several years, once we begin to get bills into committees and get the process rolling, I will send you weekly updates.

We are coming to the close of what has been a difficult year for many of us. I hope this Christmas season will provide a respite from life's difficulties and will be a time to enjoy family, friends and good food; and reflect on all the blessings in our lives.

Please remember to reach out to those who are still rebuilding from the May 2010 flood, the homeless, the needy, our military, those who have lost people they love and any others that have specific needs you could help with. The smallest kindness can go a long way.

"For unto you is born this day in the city of David a Savior, which is Christ the Lord"

Gary

WISHING YOU A MERRY CHRISTMAS AND A WONDERFUL NEW YEAR
